Platform

Explode foreign children
if need be

but don't let queers
marry.

Cover all w/ a blanket
of dread.

Honor war dead,
though schedules
tighten.

Know love
for corporations.

Condemn pornography
& abortion

while boosting
just slaughter.

(signaling Iran & Syria,
those other spicks.)

Show women mid-flounce,
ecstatic about
yielding

sovereignty.
Give bouncy stage

niggers
banjos.

Under God, this document
is tolerant, so

limit snide
shots for

the other side
can't help being

hypocrites.

Frank has published widely, many pieces online.
